KATZ football-themed ideas – a new style of communication

POWERFUL EMOTIONS WHICH REFLECT POSITIVELY ON YOUR BRAND

Football-themed ideas from KATZ are the perfect tool for your sports marketing campaigns and events – and they are a great addition to your special celebrations to mark the UEFA European Championship or the football World Cup! Associating your company and brand with

people's passion for football has a positive impact because it ties your message to some powerful emotions! You can use KATZ football-themed products as an advertising space, a business card, a competition promotion tool, an on-pack gift, or simply as a brand-enhancing give-away.

FAN COASTER - a great way to show your colours

Unwrap the Fan Coaster, wet your finger, and rub it across the coloured strips on the coaster.

Apply the dermatologically tested colours to your face.

Have fun together and celebrate in style!

FUSSBALL GAMES- bring out your customers' playful instincts

COMPETITION COASTERS - the true passion of football

THE FOOTBALL COASTERS - for that genuine home-ground feel
